What the hell was she doing? She should have been waiting by her phone, holding the sonofabitch in her hand, staring at it and willing the thing to ring.

SEE YOU LATER, ALLIGATOR

The manhole cover seemed to weigh a ton.

Grunting savagely, the stench of raw sewage permeating his every pore, Snake Chisholm pushed with all his might. The heavy lid popped free, then scraped against the pavement as he heaved it to the side. Blessedly fresh air rushed into the fetid tunnel. Freedom, he thought. But he didn't smile. Not yet. There would be plenty of time for that later.

Clinging to the uppermost rungs of a steel ladder, he chanced a peek at the topside world. Snake breathed a sigh of relief. The coast was clear.

He lifted himself out of the subterranean lair, immensely relieved to be alive. As for Donnie—well, he didn't know. His cellmate had vanished in the chaotic frenzy. Had poor Donnie been eaten? Snake shuddered at the thought. The thing looked like something straight out of a drive-in horror flick. Even now, having seen the creature with his own two eyes, he had a hard time believing what had happened . . .

The alligator was the size of a car, a big car. One minute Donnie was there, trailing Snake through the knee-high water, then all hell had broken loose.

"I hope you're okay, Donnie," Snake muttered to himself. "I hope we meet again, my friend."

Still, he couldn't dwell on his cellmate's disappearance;

to do so would be debilitating. He had to move. Fast. No way was he going back to the slammer, not after trudging through miles of filth and almost becoming a giant alligator's midnight snack.

Now it was closer to two or three in the morning. Snake wasn't sure. He had lost all sense of time down there in the sewer network, his world reduced to a series of dank tunnels and foul water. Donnie, the brains behind their escape, had been right; the slimy labyrinth had been their ticket out.

Snake nudged the manhole cover in place with his foot and surveyed his surroundings. Donnie's estimation had been spot-on. Snake found himself in the vast parking lot of a truck stop several miles beyond the foreboding walls of the state penitentiary. Now he had to find Sue so they could boogie on out of here. She was supposed to be holed up at a nearby motel, waiting with a small amount of cash and her old rattletrap which had seen better days but was a hell of a lot better than nothing. All of this had been arranged with a smuggled cellphone Snake had gotten from another inmate in exchange for a month's worth of commissary.

He had wrapped the cheap burner in an empty potato chip bag for his escape, effectively protecting it from the water. Device in hand, Snake crouched in the shadowy fringes of the lot. Semitrucks-trailers and flatbeds and

tankers—were parked for the night. Garish signage on the 24-hour store boasted a restaurant, gift shop and clean showers.

Snake couldn't wait to get to the motel and take a shower, couldn't wait to get out of his soggy, foul-smelling jumpsuit and put on some clean clothes.

Sue didn't pick up right away. This irked him. What the hell was she doing? She should have been waiting by her phone, holding the sonofabitch in her hand, staring at it and willing the thing to ring.

"Hello," she finally took his call.

"It's about time," Snake said.

"Sorry, baby, I had to go pee."

"You couldn't take the phone with you?"

"It didn't occur to me."

"Shit, woman." Snake frowned. "I just waded through five miles of shit and almost got eaten by a—"

He checked himself in mid-sentence. Sue didn't need to hear about the alligator. She was the squeamish type, couldn't even sit through a gory movie without getting sick to her stomach. He needed her at full strength, now more than ever.

"What about Donny?" she asked.

"He chickened out," Snake told her.

"I can't believe—"

"Forget about Donny. Pick me up pronto; I'm a sitting duck if the cops drive through here."

"You at the truck stop?"

"Of course I'm at the truck stop. Where else would I be? The fuckin' country club . . ."

"I'm on my way, baby."

Snake hung up. Sue was testing his patience. Big time. She better not fuck this up. Having to depend on a ditz like her—well, it was a bad feeling. Too much was riding on this thing. My life, Snake reasoned. In his mind's eye he saw Donny desperately fighting for his as the monstrous gator snapped its massive jaws. At least Snake thought it was an alligator. Maybe it was something else, something unknown and unidentified, one of those crazy cryptid creatures he had read about in the prison library.

No sooner had he entertained the thought than Sue showed up in her shitbox. Snake hastened out of the shadows and flagged her down. She made a wide turn, twin beams lashing the pavement, and came to a stop a few feet from where he stood. He yanked open the passenger door, slid in, and slammed it shut.

"Go!" Snake said, slapping his hands against the cracked dashboard.

Sue's face scrunched with disgust. "Phew. What's that smell?"

"Shit," he stated matter-of-factly.

She cranked down her window.

"You were supposed to bring a towel," he told her.

"I forgot," Sue said.

"Well, don't blame me for getting your car dirty."

"I won't, baby." She threw the car in drive and pointed it toward the motel . . .

The shower stall at the Mid-South Motor Inn wasn't much of an improvement over the sewer. Still, the water was hot, the deodorant soap sudsy and fragrant; these things helped Snake overlook the grime and mildew.

Towelng off, he felt like a new man. Until he saw what

Sue was watching on TV. Snake did a doubletake. The name of the movie escaped him, but it was about a giant alligator living in the sewers beneath the streets of New York City. He had watched it once or twice at the dollar movie before getting locked up.

"I thought you hated scary movies," he said.

Sue, a pillow wedged behind her head, was stretched out on the double bed. "Not anymore."

Snake regarded her doubtfully. "Since when?"

"It's been months," she told him, her eyes riveted to the screen. "You were gone a long time, Snake."

"Yeah," he muttered.

"People change, you know?"

Sure, he thought, and not always for the better. The last thing he wanted to watch was a movie about an overgrown lizard feeding on a bunch of people too stupid to stay out of the sewer. Having seen the real McCoy up close and personal, he saw the flick in a whole new light. It was no longer just a silly horror movie. Now it was a serious documentary chronicling an all-too real problem. People were flushing their little pet gators down the toilet and unknowingly creating man-eating monsters.

"Donny," Sue said the name disdainfully, shaking her head with dismay. "What a pussy."

Towel wrapped around his waist, Snake didn't say a word; he just stood there beside the bed, towering over Sue

and averting his eyes from the TV.

"The whole thing was his idea," she said.

"He got cold feet," Snake remarked lamely. "It happens."

A beer commercial came on. Sue looked at him, a hopeful expression on her face. "I'm glad you didn't get cold feet, Snake." She raised her hand and tugged on his towel. "I really did miss you, baby."

She wrapped her legs around his waist, writhing and undulating beneath him as he thrust savagely. Things progressed in this manner until Snake withdrew and had her flip over. Sue was more than happy to take it doggy style; no sooner had she assumed the position than he skewered her and commenced to banging her from behind.

Holding her skinny hips, he slammed her cunt in earnest. The loud clapping of their fornicating flesh

"I missed you too."

"Show me," Sue said. "Show me how much you missed me . . ."

"Sorry, Sue, but I'm too—"

Snake was going to say "tired" until Sue removed his towel and wrapped her hand around his cock. Stroking him deftly, she used her other hand to shimmy out of her shorts and panties.

Laying there in nothing but a T-shirt, she pumped his pecker and played with her pussy. Snake hadn't gotten a piece in a very long time, so long that his fatigue vanished, supplanted by a potent desire which raged through his system like fire.

"Did you miss my cock, baby?"

"You know I did," Sue told him, moving both hands faster and faster, getting hotter and wetter.

Snake liked tugjobs, liked them a lot, but he liked fucking better. And it was time to fuck. He gently removed her hand from his prick and moved on top of her. Sue spread her legs, moaning as he skewered her with every inch of his turgid tool.

Sue's pussy was nice and snug. Snake wondered if she had fucked any guys while he was in prison. Not that he cared one way or another. Had their roles been reversed, had Sue been the one incarcerated for a lengthy period of time, he would have surely balled a good number of chicks in her absence.

reverberated off the dingy walls, urging him onward, prompting Snake to bang her box with renewed vigor.

Moments later, having gotten her jollies, Sue had him sit on the edge of the bed while she crouched on the carpeted floor and finished him with her mouth. Sue gave fantastic head, polishing his pole and servicing his ballbag. Her talented mouth brought him closer and closer to the brink.

Snake hollered, pulled out, and exploded in her face. His was a big load. Cum covered her visage from hairline to chin. She grinned through it all, flashing a set of teeth which were nothing to brag about.

The movie had ended. Credits rolled down the screen. Snake was glad. Now he had Sue's undivided attention. And since she was no longer squeamish about horror movies—well, he figured he might as well tell her about Donny and the alligator.

"Sue," he started, "we need to talk about Donny."

"To hell with that pussy."

"I lied. He didn't chicken out."

Snake told her everything. Sue's face drained of color. She looked at him like he had lost his mind.

"Maybe he got away," she said.

"Yeah—and maybe he didn't."

Snake sighed heavily and ran a hand through his hair; he imagined Donny in short britches sipping a pina colada on a tropical beach with a beautiful woman.

This helped until it didn't.

LATE NIGHT ANTICS

His fingers were so welcome by this point and I didn't give a fuck if there were other people watching.

As a student, I work hard for little money and any extra is always welcome. I work at a very busy, trendy bar in the, what we call, the party district just off the campus at the University of Texas. After a unusually slow night at the bar, the owner, Carlos, suggested we lock up early. He said the remaining staff and a few friends could stay and party down since it was the holidays and pretty cold outside. After midnight we all started drinking, which we aren't allowed to do while on our shifts, and so we were all getting along quite well. A couple that were friends with the owner were getting drunk quicker than the rest of us, and since they didn't have to work, they got a head start on the booze. They were sitting at a high table in the middle of the bar area, kissing and touching each other, and getting the rest of us turned on as we couldn't help but watch.

For the last few weeks, Carlos, who was also the head bartender, had been giving me the eye, and apparently tonight he decided he wasn't going to wait any more. We were all chatting away and many started teasing and touching each other, getting more and more turned on. There was always sexual tension between the staffers and tonight it seemed ready to explode. Even I was getting a bit horny as the booze and eye candy were taking effect. I was getting moist and my clit was screaming to be rubbed. I really didn't care who did it, as long as someone did. As soon as one of the other waitresses got up from the bar stool next to me, Carlos came over and started small talking me.

I must have said the right things because the next thing I know his hand is between my legs, feeling the small wet spot that had started to soak my undies. He rotated the bar stool so I faced him and lifted up my short skirt, pushing his hand down my panties. His fingers were so welcome by this point and I didn't give a fuck if there were other people watching. One of the other waiters walked over to us, took my hand and placed it on his huge cock that was already sticking out of his pants. I held it in a vise-like grip and started pulling on it, feeling it getting bigger with every stroke. And as I leaned forward, down to his cock, I sensed his whole body shake. He knew he was going to get a bj, but up until now, I'm sure he never thought it would be from me since he was gay!

Suddenly, we heard loud screams and groans from that couple in the middle. She had climbed up on the tall table and was on her back, pantyless as her friend was eating her out. She stopped moaning and they switched places. He sat up on the table, pants off, legs spread wide resting on a couple tall chairs as she settled between them and started sucking on his dick. I watched for a minute, then her head disappeared lower, probably to suck on his balls, and then I went back to my two guys. I grabbed the waiter's cock hard and pulled it to my mouth. I heard him moan; how long had he had this hard on? It was fucking rock hard, and he was loving my mouth around it, sucking it and stroking it hard with my hand. By now Carlos wanted in on the action, so without hesitation he pulled me up, pulled my panty aside and sat me on his massive

cock. With hot juices dripping from my pussy, I slid onto it nice and easy.

The guy I was blowing couldn't believe it, he was being sucked off while I was being fucked, and I was sucking at his cock so hard, he spurt all his stuff in my mouth, cum sliding down the side of my face. By now the couple were fucking like mad. She had been screaming with every orgasm, and he was shooting cum all over her face. I was bouncing up and down being fucked really hard, and came again and again. My pussy and clit were on fire, my body was shaking and I couldn't control it.

My orgasms were huge, one after the other, bang, bang! Carlos couldn't hold his cum any more and threw me off him and stood over me. I felt helpless that this guy was going to shoot one hell of a load all over me. His cum came out like a raging waterfall, covering me and hitting my face. I was licking my lips, getting a good taste of it, loving it, all sticky and thick.

I didn't stay working at the bar much after that, I had my fun with the boss but his flirting with me began to piss me off. I decided to slip him my number in his back pocket and told him to call me in a year, and walked away. He did call me, but my husband answered the phone, so, I never heard from him again after that.

SHELLI SUCKS

I went outside to check out my brother's new girlfriend. Actually he said she's not his girlfriend, just a girl he picked up at a frat house and they've been 'partying' for a week now. If that was the case, why did he bring her home during spring break? I think I know but didn't care. Her name was Shelli and she was tanning out by our pool.

She saw me walking on the pool deck and motioned me over. "Would you be a dear and rub some of this lotion on my back?" she said holding out the sunscreen bottle. While I was rubbing the lotion, I worked it a little lower down her topless back to her ass and noticed I was getting a boner bulging against my shorts! Shelli rolled over in the lounge and noticed the protuberance. She looked up at me and smiled and asked if she could see it. At first I said 'no' but my small head then too over and made me ask where my brother was. She said he went to the baseball game an hour ago.

When she finished rolling over, her beautiful full breasts came into glorious view. Without missing a beat she again took the bottle of lotion and handed it to me, cooing to rub it on her chest. As she put the bottle back, the back of her hand brushed across my boner. Her hand came back and slid up my board shorts searching out my erection. As I rubbed the lotion on her chest, she found my woody and started playing with it. I touched her nipples and they responded by getting harder, like little pencil erasers. I massaged her breasts and she massaged my cock under my shorts. Then suddenly she pulled her hand out and sat up. She grabbed my waistband and said "These won't do. They gotta go," and in one swift yank they were down at my ankles. She nuzzled her full lips along the length of my hard cock. She pushed it up against my belly and her warm tongue was licking my balls.

She was making those slurpy, sucking noises that drove me crazy. I came in her mouth and she swallowed all. I wanted to push her down on her back, spread those smooth legs apart and do some long, slow meaningful strokes in her magnificent pussy. Maybe later I will.

"I close my eyes and my thoughts would go looking for sexual images which sends a shock of adrenaline through my wanting body – keeping my cock hard and turned on. If only there were two lithe ladies who'd pin me down on the bed and put my erection inside them, but I probably shouldn't think those things."
